LATE TELEGRAMS.

Trial of an Extradited Soldier at Madras.

Calcutta, October 10.—The trial of ex-Private Emerson before the Madras High Court criminal sessions commenced yesterday, when the jury unanimously acquitted the prisoner on all the charges.

His Lordship, in discharging the accused, said that, the jury having acquitted him of the charges made against him, it was at liberty to leave the Court without a stain on his character. He trusted that some arrangement would be made for his return to England.

The foreman of the jury said that there was a strong feeling on the part of the majority of the jury that this was a peculiarly hard case; and they hoped that His Lordship would make representations in the proper quarter with a view to obtain compensation for the accused.

His Lordship said that he would give the recommendation of the jury.

October 11.—Steps are being taken to start a fund to help ex-Private Emerson. Several donations have already been received.

The Government of Madras has under consideration the question of Private Emerson's maintenance until his departure as well as his being sent home at Government expense, which is provided for under the Fugitive Offenders Act.

In explanation of our special telegram it may be stated that the charge against ex-Private Emerson, of the Lincolnshire Regiment, was shooting and causing grievous hurt to a forest watcher in the Sholamdevi forest in the Trichinopoly district during the month of August, 1902.

Emerson was one of the three soldiers originally tried in this case the others being Privates Lane and Deuch, who were acquitted and discharged by the District Magistrate at Trichinopoly on the ground of want of identification. At the instance of the Government of India the High Court intervened, when Deuch was acquitted by the High Court for want of identification, but Lane and Emerson were ordered to be committed to the Sessions. Lane was acquitted at the last Sessions, but extradition proceedings were taken against Emerson, who is taken his discharge and proceeded to England. It will be interesting to watch what is done to help the soldier.

For Gallantry.

Shimla, October 9.—Lt.-Col. Naik Major Singh, 26th Baluchis, is admitted to the Order of Merit for conspicuous gallantry at Daratoleh, Somaliland, last April, when he assisted Captain Walker and his men to save Captain Bruce from falling when wounded into the enemy's hands.

The Tibetan Mission.

October 12.—The 23rd Pioneer have left Dibrugarh for Silliguri for work on the line of communication of the Tibet mission. One winz started last Friday and the other yesterday.

The N. W. Frontier.

October 13.—Reports have reached Quetta of an explosion of a large magazine in the northern rampart of Kila (Kila) Fort, Afghanistan, killing some fifty men and doing great damage to the fortifications.

Coal Trade of Moji.

In the first ten days of October Japanese coal amounting to 72,468 tons was shipped from the port of Moji, showing a decrease of 11,044 tons on the return for the corresponding period of last month. The principal ports to which the coal was sent from Moji are:—Hongkong, 25,825 tons; Shanghai, 7,950 tons; Hankow, 9,000 tons; Singapore, 3,500 tons; Yokohama, 3,250 tons; Chiofo, 2,300 tons; and Yokohama, 1,700 tons.
